

FOOTE AFTERSCHOOL PRIVATE MUSIC LESSONS 2008-2009

**Pre-registration letter and form**

TO: Foote parents

FROM: Sarah Heath, Music  
Dawn Walsh, ASP Director

We are once again offering private instrumental study in piano, guitar, violin, drums and electric bass in our after school program in 2008-09. This year's program included more than 80 students! Please reserve a place for your child now, if you are interested. **All returning students must renew their registrations** in order to continue in the fall.

**HOW TO REGISTER:** fill out and sign this form in order to be assigned to a teacher and a time slot. Then send it back to us at Foote (attn: Dawn Walsh) or bring it to the Front Office.

Your child may not start lessons until this letter has been received.

It is important that parents understand that they must pay for each full semester of lessons offered after a child has begun his or her study. Foote will bill parents for all the lessons offered on the calendar (posted in September). We regret that absences without 24 hours direct notice to the individual teacher involved cannot be made up. If a teacher has to cancel a lesson, he or she will re-schedule it by special arrangement with you. Should there be a snow day which requires the cancellation of school, lessons will not be held and parents will not be billed.

**Your signature below lets us know that you have read and agreed to these terms.**

We will confirm your child's lesson schedule as soon as possible. If you have any further questions, please do not hesitate to contact Dawn Walsh (director of the ASP) or Sarah Heath (faculty liaison). We all look forward to a wonderful year ahead!
