

SPORTS PROGRAM

RAINY DAY OPTION 2006-2007

(Please return to Front Office)

The sports program for seventh, eighth and ninth graders will be available five days a week – rain or shine. We, however, are offering an option should we run into a stretch of inclement weather.

The students will have supervised use of the facilities for conditioning and group games with their coaches, or movies, team talks, or supervised study in our library. Players will meet first in the Twichell Room for roll call, then proceed to the various activities. After a few straight days of rain, those students who have general written permission in advance (the form below) from their parents will be permitted to walk home and arrange to leave at 3:00 p.m. The Athletic Department will make its decision by 1:00 p.m. and notify students.

In summary, we always will be able to keep team members until the usual pick up time – either in practice, gym activities, or supervised study. But those students with prior written permission may arrange to leave school at 3:00 p.m. when a rainy day schedule is in effect.
